Madras, 25th November 1940.

Extension of certain provisions of the Madras District Municipalities Act to the Melur Panchayat Board.

In virtue of the powers delegated to him by the Provincial Government in their Order No. 2721, L.A., dated 1st August 1940, and in exercise of the powers conferred by section 206 of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), the Inspector of Municipal Councils and Local Boards is hereby pleased, at the request of the Melur Panchayat Board, and the Madura District Board, to extend to the Melur Panchayat Board area the provisions of

Reconstitution of the Kalkdsikurchi Panchayat Board postponed.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards the administration of the Kalkdsikurchi Panchayat Board by a special officer for a further period of six months is necessary in order that the road works, distribution of lights, the levy of cycle tax and profession tax, the revision of under assessed house taxes in an equitable manner, the introduction of private scavenging and the opening of cart stand, vegetable market, etc., might be effectively attended to;

Now, therefore, in virtue of the powers conferred under section 43-A (4) of the Madras Local Boards Act, the Inspector hereby directs that the reconstitution of the Kalkdsikurchi Panchayat Board in the Tinnevelly district shall be postponed for a period of six months with effect from 10th January 1941.

Madras, 28th November 1940

Removal from offices of President.

KOILKUNTLA PANCHAYAT BOARD.

Whereas Sri G. Ellareddi, President of the Koilkuntla Panchayat Board in Kurnool district, has, in the opinion of the Inspector of Municipal Councils and Local Boards, abused the powers vested in him by retaining the panchayat cash balances on hand and utilising the receipts directly for expenditure in contravention of the executive instructions Nos. 104 and 105 of the Union Manual in spite of repeated objections in the successive audit reports, the Inspector, therefore, in virtue of powers conferred under sub-section (1) of section 43 of the Madras Local Boards Act, hereby directs that the said Sri G Ellareddi be removed from the office of the President of the Koilkuntla Panchayat Board

Madras, 3rd December 1940.

ATTILI PANCHAYAT BOARD.

Whereas Sri Kanumilli Venkatramayya, President of the Attili Panchayat Board in West Godavari district, has, in the opinion of the Inspector of Municipal Councils and Local Boards, wilfully omitted to carry out the provisions of the Madras Local Boards Act by his failure to speed up the collection of the arrears and current demand and to remove the encroachments and by not carrying out repairs to the market and by not providing a slaughter-house for the village and a shed for cart-stand;

Now, therefore, in exercise of the powers delegated to him by the Government of Madras under section 233 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred under sub-section (1) of section 43 of the said Act, the Inspector of Municipal Councils and Local Boards hereby directs that the said Sri Kanumilli Venkatramayya shall be removed from the office of the President of the Panchayat Board, Attili.

Madras, 9th December 1940.

Supersession of the Pulla Panchayat Board

Whereas the Pulla Panchayat Board in the West Godavari district is in the opinion of the Inspector of Municipal Councils and Local Boards incompetent to perform the duties imposed on it by-law;

Now, therefore, in exercise of the powers delegated to him by the Government of Madras under section 233 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred under section 45-A of the said Act, the Inspector of Municipal Councils and Local Boards hereby directs that the said Pulla Panchayat Board be superseded for a period of one year with effect from the date of publication of the notification in the *Fort St. George Gazette*.

Government Technical Examinations—"Commerce."

List of Approved Schools or Courses—1941.

Notice

In supersession of the previous lists, the following Schools of Commerce have been approved by the Commissioner for Government Examinations, Madras, and the heads of these institutions alone will be deemed competent to grant a certificate of the kind mentioned in sub-paragraphs (1) (a) and (2) (a) of paragraph 1 of the notice re. conditions of admission to the Government Technical Examinations, published at page 433 of Part I-B of the *Fort St. George Gazette*, dated 21st August 1934. For any further information that may be required, attention is invited to the notice dealing applications for admission to the examinations that will be published in Part I-B of the *Fort St. George Gazette* from time to time in respect of each session of examination.

2. This list will operate in connexion with the examinations to be held in the calendar year 1941.

3. It is to be particularly noted that the head of a school of commerce in the approved list should grant the exact facts (as prescribed) only in respect of the subject or subjects mentioned against the name of such school in this list. This should be strictly adhered to and any violation of this will involve the deletion of the name of the school from the approved list.

NOTE.—(1) Star-marks against a school or under a subject indicate that the school is included in the list temporarily for a period of that year.

(2) The entry 1 against the name of the school under the subjects seldom indicates that the school concerned is approved for that subject.

(3) † Single dagger mark against a school under the subject columns indicates that the school concerned is approved in the subject also for Tamil while ‡ Double dagger mark indicates approval also for Telugu in the subject.

Madras Commerce Report for the month of October 1940.

In the Madras commodity markets, prices of food-grains advanced during October by a further three points to 119 although the index for the commercial products group remained stationary at 99, the index of wholesale prices of all commodities advancing by one point to 107. The cotton market was steady. There was a good demand during October for tanned hides and prices firmed up towards the end of the month. There was also a good enquiry at advancing prices for buff hides and bulls buff and cow calf. There was a better enquiry for tanned goat skins, especially light weights, and prices improved a little. There was a good trade in tanned sheep skins in the last week of the month and prices showed some improvement. Prices of groundnut declined as a result of large arrivals of new crop and restricted export demand. The paddy and rice markets were active with satisfactory export demand and prices showed a rising tendency. The Cuddapah cumbum yarn market declined in the absence of European and Indian demand. The Cochin coir yarn market remained quiet. The tone of the copra and coconut oil markets improved and prices were firm. The Calicut ginger market declined towards the end of the month owing to less Indian demand. The Calicut pepper market was fairly steady throughout the month owing to moderate Indian demand. In the Madras sugar market prices were maintained during the early part of the month, but later, the market weakened and prices declined. The demand for locally manufactured sugar and khandsari was normal.

Groundnut.

The groundnut market was slack and with the commencement of arrivals of stocks began to sag. As a result of large arrivals of new crop and restricted export demand, there was a decline in prices towards the end of the month. The average wholesale prices per candy of 561 lb. at standard centres of the main producing centres were as follows:—

27th September 1940—Rs. 21 to Rs. 20-4-0
26th October 1940—Rs. 21-4-0 to Rs. 21.

Paddy and Rice.

The paddy and rice markets were active with satisfactory export demand and prices improved. The average wholesale prices of standard varieties at the main producing centres were as follows:—

Indian paddy per bag of 170 lb.

27th September 1940—Rs. 5-4-0 to Rs. 6-0-0.
26th October 1940—Rs. 5-12-0 to Rs. 6-15-0

Indian rice per bag of 170 lb

27th September 1940—Rs. 8 to Rs. 9-8-0.
26th October 1940—Rs. 9-3-0 to Rs. 10

Rangoon rice—raw, broken 4-1, per bag of 220 lb

30th September 1940—Rs. 9-12-0, Madras.
31st October 1940—Rs. 10-2-0, Madras.

Calcutta rice (Nagara), boiled, per bag of 164 lb.

30th September 1940—Rs. 10, Madras.
31st October 1940—Rs. 10-2-0, Madras.

Cocoanut Products.

Owing to lack of European and Indian demand, the market for Quilandy and Beypore sealed yarns and for Calicut unsorted yarns declined and closed weak. The Cochin coir yarn market remained quiet. Supported by continued demand for oil, the tone of the copra and cocoanut oil market improved in spite of large arrivals.

Cotton.

Tinnevelly.—Fresh arrivals from the interior were moderate. South Indian mills were eager buyers and prices were steadily forced up from about Rs. 200 per candy of 784 lb. to about Rs. 215 although the rates prevailing in leading markets hardly justified such an advance. Other Indian mill centres and export interests were disinterested as respective prices were out of parity.

Cambodia.—Fresh arrivals from the interior were on a small scale. A moderate business was done by South Indian mills in first crop at from Rs. 260 to Rs. 280 and in second crop at around Rs. 245 per candy. There were no enquiries from outside.

Good rains fell during October in the cotton tracts and by the end of the month cotton sowings were already far advanced.

Sugar.

The Madras sugar market opened dull with an easier tone. Prices declined slightly. On the 5th October, the Indian Sugar Syndicate released a 10 per cent quota. Prices for bold grain sugars were increased by one to two annas per maund and small grain sugar reduced by two to three annas per maund. The demand was good due to Deepavali. Prices were maintained although reports from Cawnpore indicated lower prices for small grain sugars which did not move as freely as the bold grains in Northern India. On the 19th October, the United Provinces and Bihar Governments issued a notification fixing cane price for 1940-41 at As. 4-6 per maund and reducing the cess to three pies per maund and fixing a cane price for the coming season at a minimum of Rs. 9-2-0 per maund *except for west districts*. Production also was fixed at 7·2 lakhs of tons in those provinces. Although prices were fixed higher than the prevailing rates, dealers had no confidence in the future as they expected rebates to port markets sooner or later. The dealers were cautious in their

requirements and endeavoured to clear stocks as much as possible. Later in the month, the market was weak due to dull demand and prices declined. The market closed quiet and inactive. There was no stock of Kollumpatti sugar. West Coast and other South Indian Markets were steady with satisfactory demand.

HIDES AND SKINS.

Tanned hides.—In spite of lack of shipping opportunities, there was a good demand throughout October for tanned hides and by the end of the month prices had become firmer. There was also a good enquiry for buff hides and both buff and new tuff and prices of all the three lines advanced, especially in the case of tuff.

Tanned goat and tanned sheep skins.—At the commencement of the month, business with the United Kingdom was very restricted and even business with the United States of America was quieter than had been anticipated. Prices of raw goat skins sold in Amritsar continued to maintain steadily and this tended to position also strongly on the part of Madras tanners. Subsequently, enquiries from London put some life into the Madras market, and light weights especially were sold on a small but steady scale at prices which represented an advance of two to three annas over the nominal price existing in Madras, though the prices realised were still low compared with those ruling six months after the war began. Advice was received from London informing exporters of tanned sheep skins of clear quality and the market for Pranes notably, Trichies, Coimbatores and Dindigals was quite active in the last week of the month. The prices realized were low, accord ng to the accepted values of these types of skins, but the amount of trade done during that period was satisfactory. Semi-Pranes were sold in fair quantities at prices which must have shown Madras tanners a fair profit considering the poor state of the raw sheep skins market previously.

A RISE OF ONE POINT.

The cost of living index number for the working classes in Madras City for November 1940 works out to 110 which is higher by one point than the index for the previous month.

As compared with the previous month, the index number for the food group rose slightly owing mainly to an increase in the prices of some vegetables and garlic.

The index number for the fuel and lighting group advanced by 14 points to 126 consequent on a rise in the prices of firewood and charcoal.

The indices in respect of clothing, housing and miscellaneous groups remained unchanged at 117, 100 and 102 respectively.

Council of State Bill No. 2 of 1940—Indian Limitation (Amendment) 273

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Council of State on the 21st November 1940:—

C. OF S. BILL No. 2 OF 1940

A Bill to amend the Indian Limitation Act, IX of 1908.

WHEREAS it is expedient to amend the Indian Limitation Act, IX of 1908, for a certain purpose, it is hereby enacted as follows:—

1. This Act may be called the Indian Limitation (Amendment) Act, 1940.

2. In section 20, sub-section (*1*), omit the words "as such" occurring after the word "paid".

3. Payments of interest or principal made before this Act and acknowledgment thereof appearing in the manner prescribed by the proviso to section 20 shall save limitation as if the words "as such" were never enacted in the section.

STATEMENT OF OBJECTS AND REASONS.

The decision of the Judicial Committee of the Privy Council in Hanna Singh v. Lal Chand, reported in A I R 1940, P C. 63, which places a strict interpretation on the words of section 20 of the Indian Limitation Act, has created considerable hardship. Endorsements of payments made by debtors towards a debt do not in all cases specify whether the payment is made towards interest as such or part of the principal. In practice, debtors also do not specify at the time of making payment whether the payment is made towards interest or principal. In many cases, the payments are made towards the debt or legacy due, and the mode of appropriation is left either to the creditor or is regulated in accordance with the course of business between the parties. If the decision of the Privy Council is allowed to stand, several promissory notes and bonds on which endorsements are made without specifying that the payment is made towards interest as such or principal would be held by courts to have become time-barred. It is, therefore, necessary to amend section 20 of the Indian Limitation Act in such a way as to give effect to the intention of the Legislature that a payment made towards a debt will have the effect of saving limitation, for all payments are intended to go either towards principal or interest or partly towards the one and partly towards the other, whether the endorsements so specify or not, provided the acknowledgement of payment appears in the handwriting of, or in a writing signed by, the person making the payment. But in order to save endorsements of payments made before the passing of this Act, it is necessary to give retrospective effect to this Act, and provision is accordingly made that the section shall be so read as the words " as such " never existed in the section
